

UNIVERSITÀ  
DI CAMERINO

To the entire University Community

Given the evolution of the epidemiological situation and the progress of the vaccination campaign;;

Considering the need to implement all possible initiatives so that the teaching and curricular activities may be carried out primarily face-to-face (requiring physical attendance); in light of the regulatory requirements in this regard, dictated by Legislative decree No. 111/2021, converted into Law No. 133/2021;

Acknowledging that Ministerial Memorandum, protocol No. 72118 of 11 October 2021, highlights that “compliance with the interpersonal safety distance of at least one meter represents a recommendation, which can be waived, among other things, in consideration of the structural-logistic conditions of the buildings, in order to ensure priority physical attendance”;

Considering necessary to allow the academic year to run as normal as possible for all university students, without prejudice to the actions necessary to ensure conditions of maximum safety;

We inform you that, starting from Monday, 25 October 2021, teaching activities carried out in the classrooms and teaching laboratories, as well as the activities carried out in the libraries and study rooms, will take place with the presence of a maximum number of students equal to 100% of the normal capacity, regardless of the current numbering of the stations.

In order to ensure the necessary attendance tracking, the need for the students to use the YOUNICAM APP to notify their access to and exit from the classrooms is reiterated. The attendance tracking via the APP will allow access to the classrooms to a number of students not exceeding the normal capacity.

As regards laboratories, libraries and study rooms, the normal capacities will be identified in agreement with the persons heading each unit.

The provisions relating to the use of the green pass and protective devices remain in force.
