

33rd Camerino-Cyprus Symposium

Receptor Chemistry: Reality and Vision

Camerino, May 15-19, 2016

Palazzo ducale

Maria "Nelly" Pignini Award

The best 4 posters presented by "Young Scientists" or "Ph.D. Students" will be awarded by the Organizing Committee with the reimbursement of their registration fee. They will be selected by a scientific board appointed among the chairpersons of the sessions. The winners will be awarded on May 18th, 2016 at the end of the session "Beyond Receptor Chemistry: Transporters"
