Art. 1

Subject

Selection procedure, based only qualifications and an interview, for conferral of 1 (one) one-year research grant for the carrying out of research activities at the School and for the research project indicated below, is now open:

SCHOOL OF SCIENCE AND TECHNOLOGY

Academic Discipline CHIM/02 – "Physical Chemistry"

Research Area: CUN Area 03 – CHEMICAL SCIENCES

Research Project Title: "Synthesis and characterisation of sustainable materials and devices for electrochemical storage and conversion of energy".

Research Activity to be carried out: Synthesis of sustainable electrode materials for Li and Na batteries and fuel cells with a low content of critical raw materials, also using raw materials from a circular economy; Development of stable interfaces between electrode and electrolyte to improve the performance and durability of the aforementioned devices; Characterisation of performances and their stability by means of controlled potential or current electrochemical techniques, in particular by developing advanced methodologies for electrochemical impedance spectroscopy.

Head of Research Project: Prof. Francesco Nobili

Duration of the grant: 12 months

Gross annual amount to be paid to the grant recipient: € 19.424,00

Grant cost centre: STI400049

Place of research activity: Department of Chemistry at the School of Science and Technology

the fourth degree, with a Professor working at the School publishing the proposal for the activation of the contract, or with the Rector, Director-General, or a member of the University's Board of Governors, shall not be admitted to the selection procedure.

Foreign citizens must also meet the following requirements:

- a) enjoying full civil and political rights in the Country of origin or provenance;
- b) meeting all the requirements necessary for the Italian citizens, except for the Italian citizenship,
- c) having adequate knowledge of the Italian language.

At any time, and by reasoned decision, the University Administration may order exclusion from the selection procedure due to lack of necessary requirement.

Furthermore, candidates who have already been awarded research grants by any institution, pursuant to Law No. 240/2010, for a period exceeding 6 years when summed up with the duration of this grant, shall not be admitted to this selection procedure. If the grant has been awarded during a PhD programme without a scholarship and up to the legal duration of the course., that period is not counted.

Furthermore, candidates who have held contracts as research fellows or fixed-term researchers, pursuant to Articles 22 and 24 of Law No. 240/2010, with the University of Camerino or any other Italian university, government, non-government or online, or with institutions described in Art. 22, paragraph 22 of Law No. 240/2010, for a period exceeding 12 years, when summed up with the duration of this grant, even if not continuous, shall not be admitted to this selection procedure.

Periods spent on maternity leave or sick leave, according to the current legislation, shall not be taken into account for the purposes of the duration of the aforementioned work relationships.

Art. 3 Application and presentation deadline

The application and the related attachments must be submitted exclusively through the computer application system adopted, available at the link indicated on the webpage on which the Notice of the Selectin Procedure was published.

For the online submission of the application, candidates must have an ordinary e-mail address (not certified e-mail), for the purposes of registering with the system. Registration must be done at the time of first access.

Please note that the e-mail address indicated by the candidate during registration will be used by this Administration for all subsequent communications relating to the selectin procedure in question.

All information needed for the correct completion and submission of the application is available in the "*Guide to completing the online application*", published on the application form home page.

The application must be submitted exclusively through the online procedure indicated in the Notice, containing the following wording, which differs according to the position announced:

“Selection procedure for the conferral of one (1) research grant, in the Academic Discipline CHIM/02 “Physical Chemistry” for the School of Science and Technology – Head of Research Project: Prof. Francesco Nobili”.

Applications presented in ways other than online will not be considered admissible and therefore will be excluded.

Applications for participation must be sent electronically, under penalty of exclusion, by 11:59 p.m. (Italian time) on the thirtieth day following that of publication of this Notice on the website.

If the deadline of the Notice falls on a Saturday or a public holiday, the deadline will be postponed to the first next working day.

Each candidate can send only one application.

The application and its attachments must be sent in one of the following formats: PDF, JPG, JPEG, PND (maximum size for each attachment 5MB).

Successful application and date of receipt of the application is certified by the computer system by means of a receipt, which will be automatically sent to the e-mail address provided by the candidate during registration.

The computer application system for submitting the application will remain active even on any days when the University is closed.

After the deadline for submitting applications, the system will no longer allow submissions.

Assistance with the online compilation may be requested by sending a specific support request directly from within the platform and will be suspended starting from the twenty-ninth day from publication of the Notice, and until the deadline for the online compilation and submission of the application.

In the application, candidates must declare, assuming full civil, criminal, and administrative responsibility, the following:

- 1) Their last name, name, place, and date of birth;
- 2) To have Italian citizenship, or citizenship of one of the Member States of the European Union;
- 3) (In case of Italian citizens) Municipality in which they are registered in the Electoral Register, or the reasons for the non-registration or cancellation from the same;
- 4) To have no criminal convictions, or any pending criminal proceedings;
- 5) The Masters’ degree obtained with the date on which the degree was awarded and the University from which it was obtained;
- 6) The PhD degree, obtained, the date on which the degree was awarded and the University from which the degree was obtained;
- 7) To hold no other scholarship, fellowship, or research grant, and undertaking to renounce them in case of becoming successful candidates in this selection procedure;
- 8) Their residence;
- 9) Citizens of the Member States of the European Union must also declare that they enjoy civil and political rights in the Country of their origin or provenance, or the reasons for the non-enjoyment of the same, and that they have adequate knowledge of the Italian language;

10) To have no degree of kinship or affinity, up to and including the fourth degree, with a Professor working at the School publishing the Notice, or with the Rector, Director-General, or a member of the University's Board of Governors; Failure to present this last declaration shall result in the exclusion from the procedure;

Candidates who are citizens of non-EU countries must also declare in the application, assuming full responsibility, their citizenship status.

Candidates with disabilities, pursuant to Law No. 104 of 05 February 1992, in their application must make an explicit request in relation to their disability and regarding the aid necessary for the completion of the interview.

Candidates must attach the following to the application:

- 1) **Curriculum vitae, bearing their signature and the date.** A copy of the curriculum, omitting the personal data (pursuant to Art. 4, paragraph 3 of Legislative Decree No. 33/2013), must also be sent in PDF format to one of the following e-mail addresses: anna.silano@unicam.it or tiziana.paniccia@unicam.it, in order to have it published on the University website;
- 2) **All documents and qualifications deemed relevant for the purposes of the procedure, and a list of the same** (publications, degree thesis, courses, various diplomas, etc.);
- 3) **The qualification(s) obtained abroad, required for the purposes of admission to this selection:**

a) in original copy or a copy certified by Italian authorities, authenticated, and accompanied by certified or sworn translation;

b) attached declaration of value or the transcripts of the exams taken, relating to the degree required for participation.

In order to ensure the widest possible participation in the procedure, candidates who, at the time of submitting their application, are unable to submit the qualification(s) obtained abroad, as indicated in the previous paragraph, must attach to the application a photocopy of the qualification(s), accompanied by translation into Italian or English, and then necessarily submit the qualification(s), according to the procedures described in the previous paragraph, if they are successful in the selection. Submission of qualification(s):

o authenticated, accompanied by certified or sworn translation, in certified copy/original;

o attached declaration of value, or the transcripts of the exams taken, relating to the degree held;

is a necessary condition for the stipulation of the contract (for candidates citizens of non-EU countries, who are not yet in possession of a residence permit in Italy, the delivery of the qualification(s) according to these methods is a necessary condition for the research activity).

4) Photocopy of a valid identification document.

Possession of university degrees can also be proven by means of a declaration in lieu of certification (pursuant to art. 46 of Presidential Decree No. 445/2000) - (Annex 2).

With reference to publications and other qualifications, which are deemed useful for the purpose of this selection procedure, candidates must also attach a specific declaration in lieu of affidavit certifying their conformity with the original (pursuant to articles 19 and 47 of Presidential Decree No. 445/2000), if they are presented in non-original copy - (Annex 3).

In addition, candidates must attach a specific declaration in lieu of affidavit, declaring that what is reported in the curriculum corresponds to the truth (pursuant to articles 19 and 47 of Presidential Decree No. 445/2000) - (Annex 3).

Declarations in lieu of certification and in lieu of affidavit, if not signed before the reception officer, must be accompanied by a photocopy of an identity document.

The University Administration reserves the right to verify the veracity and authenticity of the statements produced.

Candidates are admitted to the selection with reserve (conditional admission).

The Administration may decide at any time, on the basis of its own motivated provision, even after the tests have been carried out, to exclude a candidate from the selection procedure. The exclusion will be communicated to the interested party.

The procedures envisaged for Italian citizens also apply to citizens of the European Union.

Non-EU citizens residing in Italy may use declarations in lieu of certification / affidavit only in the cases when proving personal status, facts, and qualifications, certifiable or attestable by public or private Italian entities, pursuant to Article 3, paragraph 2 of Presidential Decree No. 445/2000.

Certificates issued by the competent authorities of foreign Countries must comply with the provisions in force in that Country, and must also be authenticated by the competent Italian consular authorities.

Publications must be presented in the original language; they must be translated into one of the following languages: Italian, French, English, German, and Spanish, only if the original language is not one of the above. The translated texts may be presented in typewritten copies together with the text printed in the original language, accompanied by a declaration in lieu of affidavit, which certifies the compliance of the translated text with the original.

Documents, degrees, and publications sent to the University after the deadline for submitting applications shall not be taken into consideration.

Art. 4

Selection Committee and selection procedure

The Committee is appointed by Rector's Decree and is made up of the Head of Research Project and two other members, as well as a substitute member, Professors or Researchers, belonging to the academic discipline relating to the project or to the related sector.

If the funds for the disbursement of the grant derive in whole or in part from external funding, a member of the Committee may be an expert, indicated by the funding body, with particular documented competence with respect to the subject of the research program. The external member shall also be subject to the rules of the University's Code of Ethics.

The Committee shall be made known by publishing the nomination decree on the University website, together with the individual names of the Committee members and their curricula.

The selection procedure shall be based on the evaluation of qualifications and publications and can may be followed by an interview.

When evaluating the qualifications, the Selection Committee shall consider the doctoral degree or equivalent qualification obtained abroad as a preferential qualification.

When evaluating the qualifications, only publications and specific qualifications relevant to the research activity to be carried out and showing the level of scientific and professional qualification achieved by the candidates will be taken into account.

The interview will focus on topics related to the research project chosen by the candidate and will be aimed at ascertaining the aptitude for research and the professional capacity required for the performance of the tasks to which the selection procedure refers. During the interview, the knowledge of the foreign language requested in the Notice of Competition may also be verified.

At the end of each meeting, the Committee shall draw up a specific report.

At the end of its work, the Committee shall draft a list of qualified candidates on the basis of the evaluation of qualifications and publications presented by the candidates, and of the interview, if conducted.

With regard to scientific production, the Committee shall also evaluate the degree of creativity and autonomy shown by the candidate.

In case of renunciation of the successful candidates before the beginning of the activity, or in case of early termination due to unjustified failure to start the research activity, the grants may be conferred to suitable candidates, according to the order of the respective rankings.

The Rector, by Rector's Decree, shall ascertain the regularity of the acts of the selection procedure, consisting of the minutes of each meeting of the Committee, and shall approves the ranking list, which shall be immediately effective.

The results of the selection procedure shall be communicated to the winner of the grant, who will be invited to enter into a private-law contract in which the contractual rights and obligations shall be indicated. This contract does not in any way constitute an employment contract and does not give any right with regard to access to the tenured positions at the University.

No communication shall be sent to any other candidates, who will be able to find out the results of the selection procedure from a Decree approving the procedure acts, published on the University website (www.unicam.it) in the “Selection Procedures” section, and in the UNICAM online notice board (<https://titulus-unicam.cineca.it/albo/>).

Art. 5 Conferral of the research grant

The conferral of the grant is formalised by deliberation of the Director General.

The grant shall be effective from the first day of the month following the Rector’s Decree approving the selection procedure documents, unless there is a subsequent starting date resulting from the programs of the research structure and from agreements between the parties.

The research activity must be continuous. The methods of carrying out the research are governed by the organisational provisions in force at the School.

The grant is normally paid in deferred monthly instalments.

Accident insurance coverage is guaranteed to grant holders, in accordance with current legislation.

Art. 6 Renewal

The research grant, subject to a reasoned request from the Head of Research Project, approved by the School Council, can be renewed in compliance with the maximum limit of 36 months: however, the duration of the renewal can never be less than one year,

Art. 7 Incompatibility, rights, and duties

Incompatibility, rights and duties are established in Articles 8 and 9 of the Research Grant Regulations available on the website of the University of Camerino at: <https://www.unicam.it/ateneo/regolamenti-cat>.

Art. 8 Head of the Research Project

Head of the Research Project is a Full Professor or Senior Researcher, under whose guidance and direction the research activities envisaged by the grant are carried out.

Art. 9 Restitution of qualifications and publications

Candidates may request, within six months from the completion of the selection procedure, except in case of ongoing legal disputes, restitution of their academic qualifications and any

publications sent to the University of Camerino. They may do it by personally going to the Division of Human Resources, Organisation and Development [Area Persone, Organizzazione e Sviluppo] of the University of Camerino, Via Gentile III da Varano 62032 Camerino (MC), or by drafting a proper request for the restitution of documents.

After the above deadline, the University shall not be in any way held responsible for the aforementioned publications.

Art. 10 **Personal data processing**

The personal data transmitted by the candidates within the applications for participation in the selection procedure, pursuant to EU Regulation 2016/679, will be processed exclusively for the purposes of this selection procedure, and of assignment procedures for the grants in question, if any.

Art. 11 **Public access to official records**

In application of the transparency obligations, pursuant to Legislative Decree No. 33 of 14 March 2013, as amended by Legislative Decree No. 97 of 25 May 2016, **this Notice of the Selection Procedure, the list of candidates with the related curricula, the Decree appointing the Selection Committee, the minutes of the meetings, and the outcome of the aforementioned selection procedure** will be published on the University website, at: <http://www.unicam.it/bandi>. This Notice of Selection Procedure is also published on the UNICAM online notice board (<https://titulus-unicam.cineca.it/albo/>), on the website of the Ministry of University and Research <http://bandi.miur.it>, on the EU website <http://ec.europa.eu/euraxess>, and in other ways that ensure international dissemination.

Art. 12 **Note on the application of the legislation regarding the prevention of corruption.**

The University of Camerino, pursuant to Law No. 190 of 06 November 2012, containing “Provisions for the prevention and suppression of corruption and illegality in the public administration”, has adopted its three-year plan for the prevention of corruption, which is published on the University website in the transparent Administration section. Any reports relating to anomalies found in the completion of the procedure referred to in this Notice may be sent to the Head of Corruption Prevention, General Manager Mr. Vincenzo Tedesco, to the following e-mail address: direzione.generale@unicam.it, or using the protected reporting procedure, to the following address: <http://www.unicam.it/amministrazionetrasparente/segnalazione-di-condotte-illecite-whistleblowing>
