DECREES

Art. 1

Subject

Selection procedure, based only qualifications and an interview, for conferral of 1 (one) one-year research grant for the carrying out of research activities at the School and for the research project indicated below, is now open:

SCHOOL OF ARCHITECTURE AND DESIGN

Academic Discipline: ICAR/13 – "Industrial Design"

Research Area: CUN 08/C1 "Design and technological planning of architecture"

Research Project Title: "Design for Safety. Guidelines for the design and development of furniture with a life-saving function in the event of an earthquake".

Research Activity to be carried out: The research project aims to define and develop requirements and guidelines for the design of furniture systems with a life-saving function in the event of an earthquake to be used in public and private contexts. The research project, which is part of the SAFE industrial research project, aimed at systematising some of the main results and at producing a publication of guidelines for the development of furniture systems that may be transformed into systems for protecting human lives during an earthquake. The research intends to broaden the field of application of the guidelines from the school context and public offices to other contexts of use, verifying the replicability of the results.

Project milestones:

- Mapping of case studies of anti-seismic furniture in the Italian and international context
- Definition of technical-functional requirements for furniture with a life-saving function in the event of an earthquake

Art. 4

Selection Committee and selection procedure

The Committee is appointed by Rector's Decree and is made up of the Head of Research Project and two other members, as well as a substitute member, Professors or Researchers, belonging to the academic discipline relating to the project or to the related sector.

If the funds for the disbursement of the grant derive in whole or in part from external funding, a member of the Committee may be an expert, indicated by the funding body, with particular documented competence with respect to the subject of the research program. The external member shall also be subject to the rules of the University's Code of Ethics

The Committee shall be made known by publishing the nomination decree on the University website, together with the individual names of the Committee members and their curricula.

The selection procedure shall be based on the evaluation of qualifications and publications and can may be followed by an interview.

When evaluating the qualifications, the Selection Committee shall consider the doctoral degree or equivalent qualification obtained abroad as a preferential qualification.

When evaluating the qualifications, only publications and specific qualifications relevant to the research activity to be carried out and showing the level of scientific and professional qualification achieved by the candidates will be taken into account.

The interview will focus on topics related to the research project chosen by the candidate and will be aimed at ascertaining the aptitude for research and the professional capacity required for the performance of the tasks to which the selection procedure refers. During the interview, the knowledge of the foreign language requested in the Notice of Competition may also be verified.

At the end of each meeting, the Committee shall draw up a specific report.

At the end of its work, the Committee shall draft a list of qualified candidates on the basis of the evaluation of qualifications and publications presented by the candidates, and of the interview, if conducted.

With regard to scientific production, the Committee shall also evaluate the degree of creativity and autonomy shown by the candidate.

The schedule and venue of the interview will be published on the University of Camerino website (www.unicam.it/bandi) after the expiry date of this Notice of Competition.

Therefore, the candidates will not receive any communication calling for the interview from the Administration.

To take the interview, candidates must be in possession of a valid identification document.

A candidate's failure to attend the interview shall be considered an explicit manifestation of their willingness to renounce the selection procedure.

Any changes regarding the schedule will be published by means of a notice on the website: www.unicam.it/bandi.

Therefore, the candidates for this selection procedure are required, in any case, to check the University website at the address indicated above in the days preceding the date set for the interview.

In case of renunciation of the successful candidates before the beginning of the activity, or in case of early termination due to unjustified failure to start the research activity, the grants may be conferred to suitable candidates, according to the order of the respective rankings.

The Rector, by Rector's Decree, shall ascertain the regularity of the acts of the selection procedure, consisting of the minutes of each meeting of the Committee, and shall approve the ranking list, which shall be immediately effective.

The results of the selection procedure shall be communicated to the winner of the grant, who will be invited to enter into a private-law contract in which the contractual rights and obligations shall be indicated. This contract does not in any way constitute an employment contract and does not give any right with regard to access to the tenured positions at the University.

No communication shall be sent to any other candidates, who will be able to find out the results of the selection procedure from a Decree approving the procedure acts, published on the University website (www.unicam.it) in the "Selection Procedures" section, and in the UNICAM online notice board (<https://titulus-unicam.cineca.it/albo/>).

Art. 5 Conferral of the research grant

The conferral of the grant is formalised by deliberation of the Director General.

The grant shall be effective from the first day of the month following the Rector's Decree approving the selection procedure documents, unless there is a subsequent starting date resulting from the programs of the research structure and from agreements between the parties.

The research activity must be continuous. The methods of carrying out the research are governed by the organisational provisions in force at the School.
