DECREES

Art. 1 Subject

Public selection procedure, based on qualifications and interview, for conferral of 1 (one) two-year research grant for the carrying out of research activities at the School and for the research project indicated below:

SCHOOL OF SCIENCE AND TECHNOLOGY

Academic Discipline: INF/01 "Computer Science"

Research Area: 01 - Mathematical and Computer Sciences

Research Project Title: "Engineering Cyber Physical Systems"

Research Activity to be carried out: The grant holder will have to carry out research activities in the area of Cyber-Physical Systems analysis. Cyber-Physical Systems enrich physical objects with

adequate computational capacity that allows them to communicate with each other and on the Internet. Their diffusion transforms the way to engineer software systems in different application domains, including health, industry, transport, agriculture, construction, etc. Consequently, many challenges are faced when analysing Cyber-Physical Systems. In particular, the management of a large number of heterogeneous devices and computations; the analysis of the data generated by the devices; adaptation as a response to the environment and to the assessments of the data collected; the constantly evolving infrastructure; the need to react promptly to sophisticated space-time situations; the possibility of performing complex and goal-oriented orchestrations, distributed on devices of heterogeneous computational power.

Head of Research Project: Prof. Flavio Corradini

Duration of the grant: 24 months

Gross amount to be paid to the grant recipient: € 21,169.00 per year

Grant cost centre: 50% to be borne by the University funds, and 50% by the cost centre / analytical unit SSTAIN, Computer Science Section

Place of research activity: School of Science and Technology – Computer Science Unit

Admission requirements and qualifications:

PhD Degree or an equivalent foreign degree.

Profile / Specific skills requested: Tools for the modelling of complex systems, classification and analysis of heterogeneous data;

Professional Training Activities: research activities, scientific articles, group research activities;

Language requirements: Good command of English language, verified during the interview;

International mobility: Willingness to present scientific articles at international conferences, participate in international research groups and guarantee personal international mobility for the research activities to be carried out;

General evaluation criteria for qualifications: The evaluation of qualifications will concern the adequacy of the curriculum submitted by the candidate in relation to the research activities to be carried out.

Indication of the deadline for submitting the application: 15 days from the date of publication of the Notice

Scores to be attributed to qualifications and to the interview: 60 points for qualifications; 40 points for the interview.

Art. 2

Requirements for participation in the selection procedure

The following shall be admitted to the selection procedure for the conferral of research grants: Candidates in possession of a PhD Degree, obtained by the date of the conduct of the selection procedure, or equivalent qualification obtained abroad, accompanied by adequate scientific production.

Foreign citizens must be in possession of a recognized equivalent degree. Equivalence must be certified by competent authorities.

Research grants are awarded in compliance with the University's Code of Ethics.

Research grants shall not be awarded to permanent staff members at universities, public research and experimentation agencies and institutions, the Italian National Agency for New Technologies, Energy and Sustainable Development (ENEA), the Italian Aerospace Agency (ASI), as well as at the institutions conferring scientific specialisation degrees recognised as equivalent to a PhD degree pursuant to Art. 74, paragraph 4 of Presidential Decree. No. 382 of 11 July 1980.

Candidates excluded from the active political electorate shall not be admitted to the selection procedure.

Pursuant to Art. 18, paragraph 1, letters b) and c) of the Law No. 240/2010 and Art. 1, paragraph 3 of the Regulations, candidates having a degree of kinship or affinity, up to and including the fourth degree, with a Professor working at the School publishing the proposal for the activation of the contract, or with the Rector, Director-General, or a member of the University's Board of Governors, shall not be admitted to the selection procedure.

Foreign citizens must also meet the following requirements:

- a) enjoying full civil and political rights in the Country of origin or provenance;
- b) meeting all the requirements necessary for the Italian citizens, except for the Italian citizenship,
- c) having adequate knowledge of the Italian language.

At any time, and by reasoned decision, the University Administration may order exclusion from the selection procedure due to lack of necessary requirement.

Furthermore, candidates who have already been awarded research grants by any institution, pursuant to Law No. 240/2010, for a period exceeding 6 years when summed up with the duration of this grant, shall not be admitted to this selection procedure. If the grant has been awarded during a PhD programme without a scholarship and up to the legal duration of the course., that period is not counted.

Furthermore, candidates who have held contracts as research fellows or fixed-term researchers, pursuant to Articles 22 and 24 of Law No. 240/2010, with the University of Camerino or any other Italian university, government, non-government or online, or with institutions described in Art. 22, paragraph 22 of Law No. 240/2010, for a period exceeding 12 years, when summed up with the duration of this grant, even if not continuous, shall not be admitted to this selection procedure.

Art. 4

Selection Committee and selection procedure

The Committee, appointed with a Rector's Decree, is made up of the Head of Research Project and two other members, as well as a substitute member, Professors or Researchers, belonging to the academic discipline relating to the project or to the related sector.

If the funds for the disbursement of the grant derive in whole or in part from external funding, a member of the Committee may be an expert, indicated by the funding body, with particular documented competence with respect to the subject of the research program. The external member shall also be subject to the rules of the University's Code of Ethics.

The Committee shall be made known by publishing the nomination decree on the University website, together with the individual names of the Committee members and their curricula.

The selection procedure shall be based on the evaluation of qualifications and publications submitted, and shall be carried out on the basis of the declarations produced, and may be followed by an interview.

In evaluating qualifications, only specific publications and qualifications relevant to the research activity to be carried out, and demonstrating the level of scientific and professional qualification achieved by the candidates, shall be taken into account.

The interview shall focus on topics related to the research project chosen by the candidate, and shall be aimed at ascertaining the aptitude for research, and the professional capacity required for the performance of the functions to which the selection refers. During the interview, the knowledge of the foreign language indicated in the Notice, shall also be verified.

At the end of each meeting, the Committee shall draw up a specific report.

At the end of the procedure, the Committee shall define, on the basis of the evaluation of qualifications and publications presented by the candidates, and the outcome of the interview, the suitability, or lack thereof, of each candidate, and shall draft a list of qualified candidates.

With regard to scientific production, the Committee shall also evaluate the degree of creativity and autonomy shown by the candidate.

The calendar and venue for the interview will be published on the University of Camerino website (www.unicam.it), within three days from the expiry date of this Call.

Therefore, the candidates will NOT receive any communication calling for the interview from the administration.

To take the interview, candidates must be in possession of a valid identification document.

Failure of a candidate to attend the interview shall be considered an explicit manifestation of their will to withdraw from the selection procedure.

Any changes regarding the calendar shall be published by means of a notice on the website: <https://www.unicam.it>.

Therefore, candidates in this selection procedure are required, in any case, to consult the University website at the address indicated above in the days prior to the date set for the interview.

In case of renunciation of the successful candidates before the start of the activity, or in case of early termination due to unjustified failure to start the research activity, the grants may be conferred to suitable candidates, according to the order of the respective rankings.

The Rector, by Rector's Decree, shall ascertain the regularity of the acts of the selection procedure, consisting of the minutes of each meeting of the Committee, and shall approve the ranking list, which shall be immediately effective.

The outcome of the selection procedure shall be communicated to the winner of the research grant, who will be invited to enter into a private law contract, in which the contractual rights and obligations shall be indicated. This contract does not, in any way, constitute an employment relationship, and does not give any right to access to university positions.

No communication shall be sent to any other candidates, who, however, will be able to find out the outcome of the procedure once the Decree approving the acts is published on the University

Art. 5 Conferral of the research grant

The conferral of the grant is formalised by deliberation of the Director General.

The grant shall be effective from the first day of the month following the Rector’s Decree approving the selection documents, unless there is a subsequent starting date resulting from the programs of the research structure and from agreements between the parties.

The grant shall be paid in deferred monthly instalments.

The research activity must be continuous. The methods of carrying out the research are governed by the organisational provisions in force at the School.

Accident insurance coverage is guaranteed to grant holders, in accordance with current legislation.

Art. 6 Renewal

The research grant, subject to a reasoned request from the Head of Research Project, approved by the School Council, can be renewed in compliance with the maximum limit of 36 months: however, the duration of the renewal can never be less than one year,

Art. 7 Incompatibilities, rights and duties

Incompatibilities, rights and duties of grant holders are established in Articles 8 and 9 of the Regulations on research grants, available on the website of the University of Camerino, at: <https://www.unicam.it/ateneo/regolamenti-cat>.

Art. 8 Head of the Research Project

Head of the Research Project is a Full Professor or Senior Researcher, under whose guidance and direction the research activities envisaged by the grant are carried out.

Art. 9

Restitution of qualifications and publications

Candidates may request, within six months from the completion of the selection procedure, except in case of ongoing legal disputes, restitution of their academic qualifications and any publications sent to the University of Camerino. They may do it by personally going to the Division of Human Resources, Organisation and Development [Area Persone, Organizzazione e Sviluppo] of the University of Camerino, Via Gentile III da Varano 62032 Camerino (MC), or by drafting a proper request for the restitution of documents.

After the above deadline, the University shall not be in any way held responsible for the aforementioned publications.

Art. 10

Personal data processing

The personal data transmitted by the candidates within the applications for participation in the selection procedure, pursuant to EU Regulation 2016/679, will be processed exclusively for the purposes of this selection procedure, and of assignment procedures for the grants in question, if any.

Art. 11

Public access to official records

In application of the transparency obligations, pursuant to Legislative Decree No. 33 of 14 March 2013, as amended by Legislative Decree No. 97 of 25 May 2016, this **Notice of the Selection Procedure, the List of candidates with the related curricula, the Provision for the appointment of the Selection Committee, the Minutes of the meetings, and the outcome of the aforementioned selection procedure**, will be published on the University website, at: <http://www.unicam.it/bandi>.

Art. 12

Note on the application of the legislation regarding the prevention of corruption.
