DECREES

Art. 1 Subject

Selection procedure, based only on qualifications, for conferral of 1 (one) one-year research grant for the carrying out of research activities at the School and for the research project indicated below:

SCHOOL OF ARCHITECTURE AND DESIGN “EDUARDO VITTORIA”

Academic Discipline: ICAR/12

Research Area: 08 – Civil Engineering and Architecture

Research Project Title: “Evaluation and monitoring of project interventions and measurement of the impact of the effectiveness and efficiency of interventions carried out directly or supported by the Carisap Foundation”;

Research Activity to be carried out: The Carisap Foundation has launched a multidisciplinary survey project at a territorial level to select and support projects capable of producing sustainable development in the Piceno areas. As regards the architecture and urban development sector, the research will have to identify which initiatives and which productive sectors could have the greatest impact on the social, economic, cultural and pedagogical development of the area under consideration. The successful candidate will be included in an evaluation team set up by the foundation (with the presence of other research fellows and contractors), with which he will have to identify evaluation criteria and methodologies by referring to the points of the 2030 agenda for sustainable development, focused on fair and inclusive social growth, respecting the environment. The measurement of the impact of the projects will be carried out through an in-depth survey of case studies and data collection able to offer a specific contribution to the research team.

Head of Research Project: Prof. Maria Federica Ottone

Duration of the grant: 12 months

Gross amount to be paid to the grant recipient: € 20.355,00

Grant cost centre: ADI400063 (CARISAP Foundation Agreement)

Place of research activity: School of Architecture and Design and the Carisap Foundation headquarters;

Admission requirements and qualifications: Master’s Degree in Architecture, Construction/Architectural Engineering, or equivalent;

Preferential criteria: PhD in Architecture and Post-graduate training courses related to the title of the project.

Indication of the deadline for submitting the application: 15 days from the date of publication of the Notice

Indication of procedure modalities: Based on qualifications only

Art. 2

Requirements for participation in the selection procedure

The following shall be admitted to the selection procedure for the conferral of research grants: Candidates in possession of a **Masters' degree in the Class indicated in Art. 1 of this Notice, in possession of a scientific-professional curriculum suitable for carrying out the research activity.**

A PhD degree, as indicated in Art. 1 of this Notice, is preferential for the conferral of the research grant.

Foreign citizens must be in possession of a **degree equivalent to those previously mentioned.** Equivalence must be certified by competent authorities.

Research grants are awarded in compliance with the University's Code of Ethics.

Research grants shall not be awarded to permanent staff members at universities, public research and experimentation agencies and institutions, the Italian National Agency for New Technologies, Energy and Sustainable Development (ENEA), the Italian Aerospace Agency (ASI), as well as at the institutions conferring scientific specialisation degrees recognised as equivalent to a PhD degree pursuant to Art. 74, paragraph 4 of Presidential Decree. No. 382 of 11 July 1980.

Candidates excluded from the active political electorate shall not be admitted to the selection procedure.

Pursuant to Art. 18, paragraph 1, letters b) and c) of the Law No. 240/2010 and Art. 1, paragraph 3 of the Regulations, candidates having a degree of kinship or affinity, up to and including the fourth degree, with a Professor working at the School publishing the proposal for the activation of the contract, or with the Rector, Director-General, or a member of the University's Board of Governors, shall not be admitted to the selection procedure.

Foreign citizens must also meet the following requirements:

- a) enjoying full civil and political rights in the Country of origin or provenance;
- b) meeting all the requirements necessary for the Italian citizens, except for the Italian citizenship,
- c) having adequate knowledge of the Italian language.

At any time, and by reasoned decision, the University Administration may order exclusion from the selection procedure due to lack of necessary requirement.

Furthermore, candidates who have already been awarded research grants by any institution, pursuant to Law No. 240/2010, for a period exceeding 6 years when summed up with the duration of

this grant, shall not be admitted to this selection procedure. If the grant has been awarded during a PhD programme without a scholarship and up to the legal duration of the course., that period is not counted.

Furthermore, candidates who have held contracts as research fellows or fixed-term researchers, pursuant to Articles 22 and 24 of Law No. 240/2010, with the University of Camerino or any other Italian university, government, non-government or online, or with institutions described in Art. 22, paragraph 22 of Law No. 240/2010, for a period exceeding 12 years, when summed up with the duration of this grant, even if not continuous, shall not be admitted to this selection procedure.

Periods spent on maternity leave or sick leave, according to the current legislation, shall not be taken into account for the purposes of the duration of the aforementioned work relationships.

Art. 3

Art. 4

Selection Committee and selection procedure

The Committee is proposed by the School Director or his/her delegate, as decided by the School Council, and is made up of the Head of Research Project and two other members, as well as a substitute member, Professors or Researchers, belonging to the academic discipline relating to the project or to the related sector. If the funds for the disbursement of the grant derive in whole or in part from external funding, a member of the Committee may be an expert, indicated by the funding body, with particular documented competence with respect to the subject of the research program. The external member shall also be subject to the rules of the University's Code of Ethics

The Selection Committee is appointed by Rector's Decree.

The Committee shall be made known by publishing the nomination decree on the University website, together with the individual names of the Committee members and their curricula.

The selection procedure shall be based on the evaluation of qualifications and publications and can may be followed by an interview, which shall take place in the manner established by the Committee.

At the end of its work, the Committee shall draw up a specific report.

At the end of its work, the Committee shall draft a list of qualified candidates on the basis of the evaluation of qualifications and publications presented by the candidates, and of the interview, if conducted.

With regard to scientific production, the Committee shall also evaluate the degree of creativity and autonomy shown by the candidate.

In case of renunciation of the successful candidates before the beginning of the activity, or in case of early termination due to unjustified failure to start the research activity, the grants may be conferred to suitable candidates, according to the order of the respective rankings.

The Rector, by Rector's Decree, shall ascertain the regularity of the acts of the selection procedure, consisting of the minutes of each meeting of the Committee, and shall approves the ranking list, which shall be immediately effective.

The most deserving candidate will receive a written communication of the conferral of the research grant.

Art. 5

Conferral of the research grant

Research grants can have a duration between 12 and 36 months.

The conferral of the grant is formalised by deliberation of the Director General, which must indicate the title of the research project, the person in charge of the research activity, the specific activity to be carried out, the duration, the financial and social security benefits, as well as the rights and obligations of the grant holder. The research activity must be continuous.

The methods of carrying out the research are governed by the organisational provisions in force at the University.

The grant shall be effective from the first day of the month following the Rector's Decree approving the selection documents, unless there is a subsequent starting date resulting from the programs of the research structure and from agreements between the parties.

The grant is normally paid in deferred monthly instalments.

Accident insurance coverage is guaranteed to grant holders, in accordance with current legislation.

Art. 6 Renewal

The research grant, subject to a reasoned request from the Head of Research Project, approved by the School Council, can be renewed in compliance with the maximum limit of 36 months: however, the duration of the renewal can never be less than one year.

Art. 7 Incompatibility, suspensions and interruptions

Research grant holders may attend a PhD course without scholarship or a specialization course if he/she has passed the relevant entrance exams.

This grants may not be accumulated with any other grant, conferred for any reason, except for those awarded by national or international institutions in order to integrate this research activity of the grant holder with periods abroad.

This grant is not compatible with participation in Bachelor Degree Courses, Specialisation Degree or Master's Degree Courses, and normally, it entails placement on leave of absence without pay for employees serving in public administrations. The ownership of the check is not compatible with the performance of private subordinate work. This grant is not compatible with payed employment in the private sector.

The grant is not compatible with contracts entered into for any reason with the University, except for:

- a) occasional services for seminars related to research;
- b) teaching and teaching support activities in study courses, within the maximum overall limit of 60 hours per academic year;
- c) co-teaching within a curriculum module, without responsibility for the same, within the maximum overall limit of 30 hours per academic year.

A research grant holder may carry out self-employment activities or other types of external activities, including education and training, subject to authorisation by the School Council, which

must verify its compatibility with the conduct of the research activity and the absence of conflicts of interest.

In the case of maternity, the grant shall be suspended for the entire mandatory abstention period.

It can also be suspended up to a maximum of three months for the period of parental leave and for a period of two months for each year of duration of the grant for serious and documented health and family reasons. In the latter two cases, the grant shall be suspended, without payment of the due amount, and shall be extended for a period equal to the duration of the suspension. The suspension shall be granted subject to the favourable opinion of the School Director, after consultations with the Head of Research Project.

Grant holders may withdraw from the contract upon thirty days' (or a shorter term, if justified) written notice. In the event of withdrawal within three months from the commencement, the grant amount made available shall be attributed until the original deadline to the first highest-ranked candidate in the ranking list for the corresponding selection.

Art. 8 **Rights and duties of grant holders**

Grant holders have the right to avail themselves, for the purposes of carrying out their research activities, of the facilities and equipment of the School at which the research activity is being carried out. The School concerned shall provide the grant holder with all the necessary support for the realisation of the research program, guaranteeing access to the equipment, the necessary resources and the use of the technical-administrative services.

The research activity of the grant holder shall be carried out within the School concerned and in other Schools of the University, depending on the research program. Any research activity, for continuous periods of more than 30 days outside the University, must be proposed by the Head of the Research Project and approved by the School Council.

The grant holders may be entrusted, with their consent, research assignments resulting from contracts with third parties, stipulated pursuant to Art. 66 of Presidential Decree No. 382/1980 by the research bodies of the University of Camerino; the assignment shall entitle the grant holder to participate exclusively in the distribution of the distributable profit.

Grant holders are required to carry out their research activities according to the instructions, deadlines and methods indicated by the Head of the Research Project. Grant holders are required to give an account of their research activity whenever requested by the Head of the Research Project; to this end, grant holders may be requested to fill in a register in which to periodically record the state of realisation of the predetermined program and to draw up a final report.

Grant holders may attend PhD courses, according to the provisions of the regulations, subject to passing the entrance exams; in such case, they shall be subject to the incompatibility regime provided for PhD students;
