

**Selection procedure, based on qualifications and interview, for the conferral of 2 grants of 3 (three) years research collaboration per grant for the School of Science and Technology at the University of Camerino, announced with Rector's Decree, Protocol No. 199/2021 of July 1st, 2021.**

### **PRELIMINARY SESSION MINUTES**

On September 17th 2021, at 9am, having regard to the Decree of the President of the Italian Council of Ministers Prot. n. 25239 of April 15th, 2021 concerning urgent measures for the containment and management of the COVID-19 epidemiological emergency on the national territory, the Commission appointed by Rector's Decree, n.62159 of September 2nd, 2021, held a remote online meeting, for the completion of the procedure for the conferral of 2 grants of 3 (three) years research collaboration per grant for the School of Science and Technology at the University of Camerino, Academic Discipline 01/B1 Informatica S.S.D. INF/01, Research Project Title: "Towards a sustainable Open Data ECOsystem – ODECO" – PIANO Project Code ID 955569, Program: H2020- MSCA-ITN-2020, MSCA-ITN-2020, Marie Skłodowska Curie Actions:

1. Research Title 1: "Investigating the co-creation of public services by governments and companies" (ESR13)
2. Research Title 2: "Enhancing Open Data Ecosystem: Algorithm and Intelligence Perspective" (ESR 14)

The commission is constituted by:

- Andrea Polini - Associate Professor, University of Camerino (Italy)
- Barbara Re - Associate Professor, University of Camerino (Italy)
- Charalampos Alexopoulos - Senior Researcher and Adjunct Lecturer, University of Aegean (Greece)

The Commission is presided over by Prof. Andrea Polini.

The Commission's Secretary is Prof. Barbara Re.

The Commission, on the basis of the list received from the Division of Human Resources, Organisation and Development of University of Camerino, acknowledges that 7 [seven] candidates have submitted their application for participation in the selection procedure, namely (alphabetic order):

1. Ahmed Umair
2. Ali Liaqat
3. Celis Vargas Alejandra
4. Herrera, Dagoberto
5. Rani Fatima
6. Ronaghikhameneh Ahmad
7. Sheng Zhonghan

The Members of the Commission declare that no incompatibility exists, i.e. that no relationships with a degree of kinship or affinity, up to and including the fourth degree, between the members of the Commission or with any of the candidates to be evaluated, exist, and that there are no situations of conflict of interest, pursuant to Articles 51 and 52 of the Code of Civil Procedure. They also declare that they have no criminal convictions, with or without the final judgment, for offences listed in Chapter I of Title II of the Second Book of the Penal Code.

The Commission, having taken note of the indications contained in the announcement, first examines the applications submitted to assess their eligibility, based on the EC MSC rules and as stated in the call, that are: "The Researcher can be of any nationality as long as the rule of mobility

is met. At the time of recruitment by the host organization, researchers must not have resided in the country where the research training activities take place for more than 12 months in the 3 years immediately prior to the recruitment date (and not have carried out their main activity (work, studies, etc.) in the country. The beneficiary to be, at the date of recruitment, an "early stage researcher" (i.e. in the first four years of his/her research career and not having a doctoral degree)". Furthermore in order to be eligible, as specified in the UNICAM grant announcement candidate has to hold a MSc degree in Computer science or related field.

The NON ELIGIBLE candidates are not admitted to the oral exam. The admission to the oral exam for those who did not present a transcript of Master Degree is under the condition to send the transcript before the oral by email to [anna.silano@unicam.it](mailto:anna.silano@unicam.it).

Then, the Commission establishes the general criteria for assessing the qualifications and the interviews of the candidates.

The Commission shall evaluate the qualifications submitted by the candidates before the interview, according to the following criteria:

- each candidate may be awarded a maximum of 12 points distributed as follows:
  - Candidate's qualification: assessed in term of marks obtained in the previous and congruence with the topic will be assigned a maximum score of 4 points;
  - Research activities: congruence with the topics of the call: Open Data or Software Development will be assigned a maximum score of 4 points.
  - Additional experiences and qualifications congruent with the topic (traineeships, software development activities, software project management etc.) in the area of Open Data and Software Development will be assigned a maximum score of 4 points.

The Candidates will be admitted to the oral exam if they have obtained, in relation to the presentation of their qualifications, a score of 9.

Candidates who must take the oral exam will be notified of the results of the qualifications evaluation together with the convocation. As regards the oral exam, the Commission will ask each candidate questions relating to the academic discipline for which the conferral of the grant is announced and concerning the title of the research project and the research topic.

The Session ends at 9:30am.

These minutes have been read, approved and signed.

PRESIDENT Prof. Andrea Polini

MEMBER Prof. Charalampos Alexopoulos

SECRETARY Prof. Barbara Re

### **MINUTES OF THE EVALUATION OF QUALIFICATIONS AND PUBLICATIONS**

On September 17th, at 9:40am, the Commission for the selection procedure indicated in the epigraph, held a remote online meeting, for carrying out the evaluation of qualifications, according to the criteria established during the preliminary meeting.

The Commission examines the applications and documentation submitted by the candidates and notes, preliminary, that none of the candidates submitted works completed in collaboration with members of the Commission. The Commission formalises this evaluation by drawing up a form for each candidate, which is an integral part of these minutes.

At the end of the evaluation of qualifications and publications, on the basis of the scores assigned, the Commission will admit the following candidates to the oral exam:

- |                           |                                   |
|---------------------------|-----------------------------------|
| 1. Ahmed Umair            | TOTAL SCORE: <b>10</b> (Admitted) |
| 2. Ali Liaqat             | TOTAL SCORE: 3 (Not Admitted)     |
| 3. Celis Vargas Alejandra | TOTAL SCORE: 0 (Not Admitted)     |
| 4. Herrera, Dagoberto     | TOTAL SCORE: <b>11</b> (Admitted) |
| 5. Rani Fatima            | TOTAL SCORE: <b>10</b> (Admitted) |
| 6. Ronaghikhameneh Ahmad  | TOTAL SCORE: <b>10</b> (Admitted) |
| 7. Sheng Zhonghan         | TOTAL SCORE: 0 (Not Admitted)     |

The Commission also sets the date for the remote online oral exam (i.e. the notice for presentation at the oral exam must be given to each candidate at least twenty days before the day of the exam), on October 22th, 2021 at 3pm. For the oral exam the Webex platform will be used, candidates have to check in advance that their headset and webcam work correctly. The following virtual room will be used: <https://unicam.webex.com/meet/andrea.polini>

The Session ends at 10am.

Read, approved and signed.

THE COMMISSION
